PRESS RELEASE

Minnesota NOW Endorses both Matt Entenza and Margaret Anderson Kelliher

July 20, 2010

The Minnesota National Organization for Women (Minnesota NOW) proudly endorses two outstanding feminist candidates for Minnesota Governor, Matt Entenza and Margaret Anderson Kelliher. The Minnesota NOW PAC rates each candidate on her or his own merit which may result in endorsing more than one candidate in a race. Both have demonstrated a strong commitment to Minnesota NOW's six core issues:

1. reproductive rights
2. equal rights
3. lesbian/gay/bisexual/transgender rights
4. eliminating racism
5. freedom from violence
6. opposition to punitive welfare reform

Both have demonstrated consistent leadership on expanding equal opportunity and preserving women's fundamental rights.

Unfortunately, Minnesota cannot have both of these candidates serve as governor at the same time, so Minnesota NOW would be thrilled to have either one in the Governor's Mansion.

Minnesota NOW calls on all Minnesotans who support equality and justice to vote for a strong and proven candidate in the primary election on Tuesday, August 10, 2010 and in the general election on Tuesday, November 2, 2010. Minnesota NOW's endorsement of Margaret Anderson Kelliher and Matt Entenza speaks to their shared strengths and proven commitment to women and equality.
